

## Investec Online: User Access Request and Agreement Form for Financial Advisers

In order to ensure that your user access to IW&I Online can be set up quickly and accurately to reflect the level of information required, please complete **all** sections, before signing overleaf and returning the form to your Investment Manager or other IW&I contact.

**Please complete one form for each user request**

### 1 User Access details

As you will now have access to view your clients' quarterly valuations online, we will no longer be sending paper copies to you by post, instead we will alert you by email when valuations are available online.

However, if you would still like to receive paper valuations by post please tick this box. ☐

**Important:** If you choose not to have paper valuations we will no longer be sending your clients' quarterly paper valuations to you for all of your clients linked to your Agency. If your clients have previously authorised us to undertake all communications via yourself, including their original paper valuations, it now becomes your responsibility to ensure that your clients receive their quarterly valuations. It would therefore be sensible to ensure that these clients also have access to IW&I Online, otherwise you will have to either email the valuation or print and post these to your clients in a timely manner.

However, if you would still like to receive your clients' paper valuations by post and you continue to accept responsibility for timely onward distribution, please tick this box. ☐

### 2 Security

Please provide a memorable six-letter word that will be used for security purposes.
