Our agreement

This Client Agreement should be read in conjunction with the Terms and Conditions (including the Annexes), Managing Your Investments document and ratecard which sets out our charges, and any other document as listed in the Terms and Conditions, which we may provide to you which states it is to form part of the Agreement between us and you.

As stated in the Terms and Conditions, the Agreement between you and us will come into force when all of the following matters have been completed:

1. We have received a completed and signed copy of this Client Agreement.
2. We have fulfilled our obligations under the appropriate Money Laundering legislation or regulations in respect of our engagement by new customers.

Prior to the date set out in the Commencement Letter and subject to the terms of the Agreement, we will at your request provide advice in respect of individual assets and on your instructions deal in respect of individual assets. However, we will not be able to provide this service unless we have received from you a signed copy of this Client Agreement, and we have fulfilled our obligations under the appropriate Money Laundering legislation or regulations.

Please note that it is your Financial Adviser, not IW&I, who is responsible for obtaining from you sufficient personal and financial information about you and for advising you, based upon that information, on an investment strategy which is appropriate to your circumstances. We are not responsible or liable for the accuracy of that information or for any advice which you are given by your Financial Adviser.

Our nominee services

Your stock will normally be registered in the name of our pooled nominee company and held on your behalf. Our nominee company is a member of the CREST Settlement System and, wherever practicable, will hold your stock in uncertificated form. Assets held in our nominee company are subject to rules of the FCA.

Should you prefer to have your investments within our nominee company or those held at a Central Securities Depository (CSD) individually designated, this is available at an additional cost. Please contact your Investment Manager for more information

You should be aware that the time taken to re-register cash, assets, shares and/or securities in the name of our nominee company will vary dependent on a number of factors outside of our control. As such we may not be able to effect any transaction you instruct us to carry out prior to the date set out in the Commencement Letter and we do not accept liability for any loss you may suffer as a result of being unable to deal in your assets whilst they are in the process of re-registration in the name of our nominee company.

In the event that you continue to receive correspondence direct from companies or their registrars (particularly in respect of corporate actions), you should inform us immediately and retain any such documentation pending our recommendation.
