

Investec Wealth & Investment's portfolio management services for the clients of Financial Advisers are based on two principal strengths: a detailed knowledge of the Investment Management needs of our clients provided by their trusted adviser and a highly experienced team of dedicated specialists who can help to meet them. Details of the benefits, fees and charges for our portfolio services for the clients of Financial Advisers are summarised here and overleaf. This forms part of Investec Wealth & Investment's agreement with you, as defined in our Terms and Conditions.

Annual fee scale

An annual fee is calculated on the value of your portfolio as follows:

Investment portfolio including ISAs	
On the first 1,000,000	1.000%
On the next 1,500,000	0.750%
Thereafter	0.600%
Minimum annual fee	1,200.00

Investec Wealth & Investment fees plus VAT per annum will be levied on the value of your portfolio calculated and charged quarterly in arrears on the last business day of February, May, August and November and pro rata for any part period of the quarter.

Advisor agreed remuneration

The amount of any non-recurring and/or recurring adviser agreed remuneration must be agreed with your Financial Adviser. We will then be pleased to facilitate these payments (inclusive of any VAT that may be applicable) to your Financial Adviser on your behalf.

Where adviser agreed remuneration (Initial Adviser Charge or Ongoing Adviser Charge) is to be paid from an IW&I SIPP, such payments will be deducted from the Individual Fund. Only one arrangement for the payment of adviser charges can be set up at any one time.

The Ongoing Adviser Charge will be made to your Financial Adviser quarterly in arrears and calculated at the same time as our charges.

Bargain administration charge (BAC)

All transactions are subject to a bargain administration charge of £25*. There will be a handling charge of £15 * for any transaction where the stock is not registered in our nominee company or held in CREST and there is an additional £25* bargain administration charge for all non UK settled business excluding Eurobonds.

Reports and valuations

You will receive quarterly valuations and statements. An annual report is prepared for each client shortly after the end of the fiscal year including a summary of all transactions on their account. With the annual report your clients will receive a consolidated tax voucher listing all dividends, interest and tax related credits received during the tax year on their behalf. This voucher makes completion of their tax return easier. Investors within the IW&I SIPP will only receive half- yearly valuations and quarterly statements. However, our Online Valuation Service is available for all clients.

Nominee custody

Our Pooled Nominee Service ensures prompt settlement of transactions and also saves you the unnecessary administrative burden involved in owning shares directly. It enables us to take action on your behalf in respect of takeovers, rights issues and open offers. Should you prefer to have your investments individually segregated within our nominee company or those held at a Central Securities Depository (CSD), a cost of £4,000 per annum per account will apply, to cover additional costs of this arrangement.

Income collections and distribution

We collect all dividends and interest on clients' behalf and these can either be retained by us or paid into a bank account following the quarter dates of 5th April, 30th June, 30th September and 31st December via BACS. For investors within the IW&I SIPP we will collect all dividends and interest on your behalf and retain these amounts within your Individual Fund.

Newsletter

A regular, informative newsletter is available to all Portfolio Management clients and their advisers.

Cash management

Money in your portfolio will be held in a Pooled Client Money Account along with monies held on behalf of other clients. We will use a managed rate to calculate your interest and will display rates on our website.* We may at our discretion apply zero interest or pass on negative interest rates for those currencies that are in a negative interest environment, these will also be displayed on our website. Any difference between the interest received by us and the interest paid to you will be retained by us.
